

Stage Two Water Restriction Guidelines

Basics: Twice per week designated by trash pickup day only between 6 AM – 10 AM and 6 PM – 10 PM

Water Uses and Restrictions

- Hand-held and Drip Irrigation – allowed any time, any day with a hand-held bucket, hand-held hose, or drip irrigation system equipped with a positive shutoff nozzle (includes soaker hose).
- Car Washing – limited to designated watering days; allowed at commercial car washes. Car washing at home shall be done with a hand-held bucket or hand-held hose equipped with a positive shutoff nozzle for quick rinses.
- Foundations – limited to designated water days; only allowed with hand-held hose or drip irrigation
- Sprinkler Irrigation – limited to designated watering days
- Golf Course Irrigation – limited to designated watering days
- Filling Pools – limited to designated watering days
- Decorative Ponds, Fountains, and Waterfalls – prohibited, except when necessary to support aquatic life
- Water Use from Hydrants – permitted for construction purposes with special permit. Water is also permitted for firefighting and purposes necessary to maintain public health, safety, and welfare (i.e. flushing dead-end mains)
- Dust Control – by permit only
- Washing Buildings, Sidewalks, Etc – prohibited, except for business purposes or if in the interest of public health and safety
- Restaurant Water – Restaurants will serve water to customers only upon request. Restaurants are permitted to wash down outside eating areas and around the dumpster area

Always in Effect:

- No person shall allow water to run off a property into streets or storm drains.
- No person shall allow water to flow constantly through a tap, hydrant, or valve.
- Defective plumbing resulting in water loss or leaks must be repaired.
- No person shall use any non-recycling decorative water fountain.
- Irrigation heads or sprinklers are not permitted to spray directly on paved surfaces, such as driveways or sidewalks in public right-of-ways.
- An irrigation system cannot operate at water pressures higher than recommended, causing heads to mist, or to operate with broken heads.

Variances/Exemptions:

Variances or exemptions from water-use restrictions are available under certain circumstances and must be approved. These exemption types include new plantings, athletic fields, and water wells. The permit is required to be displayed in a visible location. Applications are available at City Hall from the Utility Department.
